ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI, Hit and Run-Unattended	INCIDENT NUMBER 15-00117
NAME OF VICTIM(S)		

On the date and time of this incident I was wearing a full Lake Stevens Police Department issued duty uniform which includes shoulder department patches and a chest badge which clearly identified me as a law enforcement officer. On the date and time of this incident I was operating a marked Lake Stevens Police Department patrol car. On the date and time of this incident I had legal authority to arrest. I am currently certified by the Washington State Toxicologist to operate the DataMaster BAC machine with a certification expiration date of 3/19/2017. I have been a City of Lake Stevens Police Department Police Officer for 4 years.

On 1/12/2015 at approximately 2353 hours, I responded to a report of a possible DUI driver in the vicinity of 118th DR NE and 32nd ST NE in the City of Lake Stevens. The 911 caller, Michelle Kik, stated there was a female who had been drinking driving back and forth through the neighborhood yelling out the window. The female was reported to be driving a white 4dr sedan with tinted windows bearing Washington license AGJ4874.

When I arrived in the area, I turned east onto 32nd ST NE from 117th Ave NE. I observed a vehicle parked on the north side of the roadway with its headlights on. As I continued eastbound, the vehicle pulled away from the curb in reverse. I observed the vehicle travelling eastbound in the westbound lane of travel in reverse. The vehicle crossed over the double yellow center line and weaved on the roadway finally straddling the center line and continued eastbound in reverse. The vehicle then turned northbound onto 118th DR NE, still in reverse. Once the vehicle turned I was able to see that it was a white 4 door passenger car. The vehicle continued northbound on 118th DR NE in the center of the roadway.

Once I turned onto 118th DR NE, I observed that there was a white female with brown hair driving the vehicle. She was the sole occupant of the vehicle. The license plate of the vehicle matched that provided by the 911 caller. I activated my marked patrol vehicle's overhead emergency lights and initiated a traffic stop on the vehicle. The female driver was later identified as Natalie N. La Hoz (5/15/92).

Immediately upon me activating my overhead lights, La Hoz put her vehicle in park, exited the car and walked towards my patrol car. I also exited my patrol car and asked La Hoz what she was doing. La Hoz indicated a nearby house she and said there was an incident at the residence. I observed there was a male standing on the porch smoking and a female sitting on the walkway steps. Neither came to speak with me at that time.

I observed that La Hoz was staggering slightly when she walked. La Hoz was speaking rapidly and walking around. I told her to stop and indicated for her to stand towards the back of my patrol car so I could speak with her. I had to show her several times where I wanted her to stand. La Hoz stated that she was just there to pick up her friend from the house and that her friend had been in an argument with her mother.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI, Hit and Run-Unattended	INCIDENT NUMBER 15-00117
NAME OF VICTIM(S)		

I asked La Hoz for her driver's license. La Hoz stated it was in her car and I walked back to her car with her. I told La Hoz to turn her vehicle off and take the key from the ignition, which she did. La Hoz opened a black lady's wallet that was on the seat looking for her driver's license. She attempted several times to locate her license but was unable to.

La Hoz repeatedly said she was just there to pick up her friend. I asked why she had driven in reverse from her location of 32nd ST. La Hoz stated that her friend told her to come pick her up. She gave no explanation for why she travelled in reverse the entire distance. I asked La Hoz again to provide me with her driver's license. La Hoz stated that she thought her friend had it and asked if she could go get it from her. I told her to call her friend on the phone and ask her to bring it to her. La Hoz stated that she did not have her phone with her. I then asked how her friend had communicated for her to come pick her up if she did not have her phone. La Hoz was unable to explain how her friend told her to come pick her up.

I observed that La Hoz seemed excited and confused. She spoke rapidly and at times it was difficult to understand her. Her eyes were bloodshot and glassy. At our initial contact while outside of my vehicle, I did not discern the odor of alcohol, however, as she sat in her car speaking to me, I could smell an odor of alcoholic beverage coming from her. It should be noted that the car door was open and there were no visible alcohol beverage containers from which the smell might have been emanating.

Sgt Miner arrived on scene. I asked him to stay with La Hoz while I spoke with the reporting party at the residence, 3251 118th DR NE. I spoke with Michelle Kik who stated that La Hoz had come to her house with her adult daughter and that they both had been drinking. She said La Hoz decided to leave with her daughter, but that her daughter then got out of the car due to La Hoz's poor driving and came back home. Kik stated she believed that La Hoz had hit a vehicle in the neighborhood and indicated somewhere to the north. When I returned to La Hoz' vehicle, I observed what appeared to be fresh damage to the right rear taillight. When I asked La Hoz about the damage she initially claimed that the damage was old.

Officer Kilroy arrived on scene. The male at the residence approached Officer Kilroy and informed him where the collision had occurred. See Officer Kilroy's report for additional information.

I asked La Hoz if how much she had to drink that night and she told me she didn't drink anything. When I told her I could smell alcohol coming from her she stated that she had one beer. I asked where she had been drinking, La Hoz did not answer but started crying and asked to call her mom and dad. When I informed La Hoz that a vehicle had been located with damage that matched the damage to the rear of her vehicle, she admitted that she had in fact hit the vehicle. The owner of the other vehicle was located and confirmed that La Hoz did not make any attempt to notify him of the collision nor did she leave any required information on scene.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.

ADDITIONAL NARRATIVE

AGENCY NAME LAKE STEVENS POLICE DEPARTMENT	INCIDENT CLASSIFICATION DUI, Hit and Run-Unattended	INCIDENT NUMBER 15-00117
NAME OF VICTIM(S)		

I informed La Hoz that she was being detained for investigation on suspicion of DUI. I asked SGT Miner to shut off the overhead strobe lights of my patrol car. Once he had, I asked La Hoz to step out of her car and walk towards the front of mine. While walking towards my car, La Hoz staggered and fell against me. I began explaining to La Hoz that I was requesting she participate in a series of voluntary field sobriety tests. La Hoz started crying uncontrollably and bending over at the waist holding her stomach then collapsing to a squatting position. I told her to stand up and again began to explain the voluntary field sobriety tests. She held her arms wide and yelled "why, I'm just going to fail anyway!" I asked La Hoz why she thought she would fail, instead of answering she started walking as though conducting the walk and turn without being instructed to do so. She had her arms outstretched to the side and did not walk heel to toe as she would have been instructed. She turned around and said "see, I can do it but you'd fail me anyway". She then started crying uncontrollably again. I explained again that the tests were voluntary and she did not have to take them if she did not want to. She declined to take the fields.

Due to my observations of La Hoz and her actions while driving, I determined there was probable cause to arrest La Hoz for violation of RCW46.61.502, Driving a motor vehicle while under the influence of intoxicating liquor. I placed La Hoz in handcuffs and seated her in the back seat of my patrol car. I read La Hoz Miranda warnings from my department issued card. She stated she understood. I transported La Hoz to the Lake Stevens Police Department for the breath test. Officer Kilroy remained on scene to facilitate a tow of La Hoz' vehicle with a mandatory 12 hours hold.

Once at the Police Department La Hoz was read implied consent from a prepared text. La Hoz provided two samples of her breath which resulted in a BAC reading of .171 and .173. La Hoz was informed of her BAC reading. La Hoz was released from custody and provided transportation to her home.

Citation 5Z0194794 was issued to La Hoz via sent to court for mailing for violation of RCW46.61.502, Driving a motor vehicle while under the influence of intoxicating liquor and for violation of RCW46.52.010.1, Hit and Run/ Unattended vehicle.

On 1/13/2015 at around 0015 hours I responded to assist Officer Bernhard with a possible DUI near 118th DR NE and 32nd Ave NE. Upon arrival, Officer Bernhard was speaking with a dark haired female, later identified as Natalie N. La Hoz, near a white sedan in the middle of the road. Sergeant Miner informed me that La Hoz's vehicle (WA Lic#AGJ4874) had what appeared to be new damage to the front and back. Sergeant Miner asked me to do an area check of where the damage might have occurred.

There was a male who approached me while I was standing near the La Hoz's vehicle to let me know he heard a "bang" before we arrived in the cul-de-sac behind his house. I did and a check of the area and found a broken taillight and other broken pieces that appeared to match the suspect's vehicle in front of 11822 33rd PI NE. The broken pieces were directly under and around the rear bumper of a Toyota truck (WA Lic#B68499R) parked in front of the same house. I contacted the owner of the truck, Tyler Husby, at 11822 33rd PI NE to have him check for damage. Husby looked his truck over and said there was no new damage that he could see at the time. The only thing Husby mentioned was that the rear hitch looked like it was rubbed clean. Husby pointed out that there was multiple dents and rust spots all over the truck that was old damage.

Husby was reluctant at first to write a statement. Husby was not able to see any new damage and did not want to press any charges. After I asked him again, Husby finally completed a statement that said "My car was hit". I asked Husby if anyone made an attempt to contact him about his vehicle getting hit and he said no.

I took digital photos of La Hoz's vehicle, Husby's vehicle, and the area with the broken taillight on the ground near the rear of Husby's vehicle.

I stayed at the scene with the La Hoz's vehicle until Rescue Towing arrived to process the mandatory dui impound.

I cleared the scene and returned to the Lake Stevens Police Department to download the digital photos to a CD and to complete the Hit and Run collision report. I booked the CD into the Lake Stevens Evidence Room as evidence.

End of report.

I told her to stand up and again began to explain the voluntary field sobriety tests. She held her arms wide and yelled "why, I'm just going to fail anyway!" I asked La Hoz why she thought she would fail, instead of answering she started walking as though conducting the walk and turn without being instructed to do so. She had her arms outstretched to the side and did not walk heel to toe as she would have been instructed. She turned around and said "see, I can do it but you'd fail me anyway". She then started crying uncontrollably again. I explained again that the tests were voluntary and she did not have to take them if she did not want to. She declined to take the fields.

Due to my observations of La Hoz and her actions while driving, I determined there was probable cause to arrest La Hoz for violation of RCW46.61.502, Driving a motor vehicle while under the influence of intoxicating liquor. I placed La Hoz in handcuffs and seated her in the back seat of my patrol car. I read La Hoz Miranda warnings from my department issued card. She stated she understood. I transported La Hoz to the Lake Stevens Police Department for the breath test. Officer Kilroy remained on scene to facilitate a tow of La Hoz' vehicle with a mandatory 12 hours hold.

Once at the Police Department La Hoz was read implied consent from a prepared text. La Hoz provided two samples of her breath which resulted in a BAC reading of .171 and .173. La Hoz was informed of her BAC reading. La Hoz was released from custody and provided transportation to her home.

Citation 5Z0194794 was issued to La Hoz via sent to court for mailing for violation of RCW46.61.502, Driving a motor vehicle while under the influence of intoxicating liquor and for violation of RCW46.52.010.1, Hit and Run/ Unattended vehicle.

I certify (or declare) under penalty of perjury under the laws of the State of Washington that the foregoing statement is true and correct.
